

- NDAA Compliance (The fully NDAA-compliant products are well suited for government, defense and a range of projects subject to the NDAA.)
- ▶ 120dB Super WDR (Excellent performance even when the ratio of the luminosity of brightest and darkest is up to 120dB.)
- Advanced Functions (Boasting to support various advanced functions such as HLC, ROI.)
- 256G (Supporting ultra-large external microSD/SDHC/SDXC card storage up to 256G.)
- Integrated Junction Box (Ensuring the hassle-free installation and reliable operation with neat cable management.)
- Built-in Microphone (Using advanced codecs to provide clearer voice and robust performance.)
- ► Smart Stream (Bandwidth, storage and bit rate are saved with Smart Stream On, e.g. H.265⁺ saves 70%~80% bandwidth that of H.264.)

Al Video Analytics

- 8 intelligent VCA modes powered by AI engine, which can intelligently filter objects to focus on human and vehicle detection.
- People Counting technology provides high accuracy and real-time data based on Al algorithm with statistic reports.

180° Panoramic View

The camera is perfect for whole picture viewing experience. It catches 180° horizontal coverage and 95° vertical coverage, achieving 180° panoramic viewing with only single sensor, which is a revolutionary creation in the dome model.

4K Video Viewing Experience

The camera performs well in catching detailed image with 4K HD resolution regardless of the moving speed.

Integrated Junction Box

Coming with the integrated junction box, The Network Camera not only brings a simplified installation with better aesthetics and professional look of the video surveillance system, but also provides higher operation stability.
